MISSION AT MASSANETTA

An opportunity for service

Serving Harrisonburg and surrounding communities

Coming Soon...

Mission at Massanetta is back! After taking a pause due to the pandemic, Mission at Massanetta is having a soft relaunch summer of 2023. Massanetta Springs is looking for groups interested in being a pilot group to help relaunch this program. If your group is interested, please contact Sarah Grace Hall, Program Assistant, at sarahgraceh@massanettaspringsorg.

What is Mission at Massanetta?

Mission at Massanetta is a year-round service program for youth and adults. We have partnered with several nonprofits in the area to create a program that can be catered to the needs of each group. After work, come back to Massanetta for relaxation and recreation in God's beautiful creation.
